## **GaDOE Releases 2019-20 Georgia Milestones Study Guides**

**JONESBORO** – Clayton County Public Schools (CCPS) is pleased to join with the Georgia Department of Education (GaDOE) in making available access to the 2019-2020 End of Grade Study/Resource Guides and the 2019-2020 End of Course Study/Resource Guides to CCPS students and their parents/guardians.

“We are excited to make these and other resources available to our students and their families as they continue to prepare for the Georgia Milestones End of Grade tests in April,” said Dr. Morcease J. Beasley, CCPS Superintendent/CEO. “We believe that the use of these guides and other resources will have a beneficial impact on the academic growth and success of our students.”

The Study/Resource Guides are intended to serve as a resource for parents and students. They contain practice questions and learning activities for each content area. The standards identified in the Study/Resource Guides address a sampling of the state-mandated content standards. For the purposes of day-to-day classroom instruction, teachers should consult the wide array of resources that can be found at [www.georgiastandards.org](http://www.georgiastandards.org).
